

Enclosed, please find:

1. A copy of all the peer reviewer's comments on the perchlorate studies, except for comments from Dr. Brusick and Dr. Andersen. These comments will be available at the meeting.
2. Material forwarded to RTI from stakeholders concerning the perchlorate issue.
3. Interim Data and preliminary analysis not yet included in the Toxicological Review Document.

Sincerely,

Susan B. Goldhaber
Research Environmental Toxicologist
Research Triangle Institute
